SUBJECT: Distribution of WIC Information

CONTACT: Karen Hayes

PH: (801) 538-7971

Regulation (7CFR Part 226.15(n)) requires that “each institution must ensure that parents of enrolled children are provided with current information on the benefits and importance of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Program and the eligibility requirements for WIC participation.”

The state WIC office has provided the attached flyer to aid in that distribution. Each institution, including individual sites, is required to post this flyer in a conspicuous area. In addition, the information may be distributed with enrollment packets. The WIC flyer is also available in PDF format on the web at www.schools.utah.gov/cnp/CACFP for your convenience.
